VOL. XXXXIX: NO. 50 REDWOOD CITY, CAL., SATURDAY, MARCH 28, 1908. ESTABLISHED, 1859.

Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel; beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x109 feet; no 25-feet frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for $250 each; 10 per cent cash, remaining payments to suit purchaser.

D. E. O'KEEFE, Editor and Proprietor

"In God We Trust"

The following letter has been written by J. O. Shaw, a resident of Redwood City and vicinity from 1855 to 1879 and for nearly 30 years a resident of Glenwood, Washington.

To the Editor Times-Gazette,
Redwood City, Cal.,
Dear Sir:

As there has been much talk and much written condemning the action of President Roosevelt in removing or rather discontinuing the motto "In God We Trust" from our national coin, I thought I would like to give my views on the subject as it is a question of serious consideration and importance to the American people and one that I take a great interest in.

I assure you, I am only prompted in this effort by the reverence I entertain for that, the most sacred of all Mottoes. I have ever held since it was placed on our coin that it was misplaced, and when the President made the order discontinuing it on our coin it met with my hearty approval. I do hope the bill introduced in Congress to reinstate it by law on our coin may meet with utter failure. Should it pass Congress I hope the veto power may stop its execution. One reason for opposing the motto being re-established or placed upon our coin is that it is misplaced and its signifficance distroyed. The question might be asked why so? is not our coin pure, has it not been madeso by fire? I answer yes, but is alloyed and not pure only in a commercial sense, where it is all right. But when we consider that it is worshipped by so large a part of man kind as their God, and when we contemplate the dishonesty, corruption and filth that coin bearing that sacred motto, is used to promote and sustain, we are led to declare the Motto is sacreligiously represented and should not be placed upon that, the love of which the good book declares to be the root of all evil. The question may arise, where then place the Motto that we may show to the world that we are a God revearing people? To such I would say: Emblazon it upon our Capital and National buildings at Washington, stamp it upon all government parchment, engrave it upon our national monuments and statuary. But to my mind the most fitting place would be as a crowning Diaden in the head piece of the Goddess of Liberty. What grander combination could be thought of as symbolizing the fundamental principles of our glorious country, as acknowledging God the maker and preserver of all things, and liberty, or the right to worship Him according to our own conception and not dictated or controlled by any ecclesiastical power and only ameanable to that God and the laws of our land, which is theinalienable right of every American citizen. So I would say for myself, as one whose ancestry dates back to the earliest colonial days of our country and one who has lived over four score years under its Flag, and has the greatest pride and the fondest hopes for our country's achievements: place that Motto where it will symbolize to the world but a God revearing nation and not entirely given to graft and greed as that we are not only a liberty loving, the epethet is now applied to Americans.

J E. SHAW,
Glenwood, Washington

On the Diamond

The baseball season is on. The fans are taking great interest in the local teams, judging from the number who turned out Sunday to see the home clubs warming up. To-morrow both teams will practice and get limbered up for their first games, which will be played Sunday, April 5th.

The All-Redwood nine will probably hook up with the Mayfield club at Mayfield. Albert Michael and "Buster" will play with the All-Redwoods, in addition to the players named last week. New, classy uniforms have been ordered and the "ads" of the follow-named business men, who have donated the suits, will appear on the backs: Stafford Brothers, Thomas Wilson, John J. Read, Hull Brothers, Dr. Yount, Gall's, Hind & Langley, Henry Lown, Lamb's, and George Wiechring. The uniforms will be white, with cardinal trimmings, and should be very attractive.

The organization of the Redwood team (William Curran, manager,) has been completed, and the line-up will be about as follows: Barg, pitcher; Ganzo, catcher; Becker, first base; Iberg, second base; Rippon, short stop; Botto, third base; Allain, left field; Smith, center field; C. Curran, right field. Their first game will be played on the local diamond April 5th, and their opponents will be the famous Oakland Tribune nine. With this line-up, the Redwood boys should hold their own with any amateur or minor league team in the state.

Neat score cards are being printed for the Sunday games and will be handed out to the fans. These will be a great help in keeping scores and lend interest to the games.

The Sequoia high school baseball nine was defeated by the Juniors of Santa Clara last Saturday. The game was played on the local diamond, and at the finish the score stood 15 to 6.

Judgment for Plaintiff

The case of O. O. Edwards against George Hensley and others was begun in the superior court Wednesday before a jury. Many witnesses were examined on both sidese. It seems from the evidence that the Hensley-Green Company and West Shore Realty Company were rivals in the sale of land near San Bruno; that on the 21st of October 1906, while all the agents of the respective parties were busy selling lots the Hensley-Green people arrested a number of the agents of the West Shore Realty people and took them off to South San Francisco, where they were liberated by Constable Carroll.

Seven suits were then brought for damages, alleged to have been sustained by the alleged false imprisonment. Albert Wehe, president of the West Shore Realty Company testified that he was arrested by George Hensley, president of the Hensley-Green Company and was forced to enter an automobile at the point of a pistol. The testimony of the seven plaintiffs was about the same.

The defendants testified that they were called upon, as citizens, by one Hudson, a deputy constable, and an employ of the Hensley-Green Company, to assist in making the arrests as an alleged crime had been committed. As to whether or not a crime had been committed evidence on this point was contradictory.

The attorneys for the plaintiff argued that it was a high-handed proceeding and done for the purpose of hindering the agents of the West Shore Realty people from selling lots, while the defendants attorneys argued that the arrest was justified, as the agents were boisterous and conimitted a public offence and stole a number of the customers going to the Hensley-Green people to buy lots.

The jury returned and brought in a verdict for the plaintiff, fixing the damages at $2000. F. R. Wehe and Jas. T. O'Keefe were the attorneys for the plaintiff and Ross & Ross represented the defendants.

The amount of damages asked for by plaintiff was $5000.

The other six cases will be set for trial in a few days.

Redwood's Additions

After a long wait and many delays the C. A. Hooper property will be placed on the market. Baldwin & Howell will handle this tract. They are now planting 10,000 ornamental trees on Eagle hill. Demand for this location is now active and H. C. Tuchsen reports a waiting list of buyers.

A revised map of the Robinson subdivision is to be filed. Alleys twenty feet wide will be part of the revision. Sewer, water and gas pipes will be laid in these alleys, leaving the streets undisturbed when making connections with new buildings. This innovation has heretofore been overlooked in the laying out of subdivisions in and around Redwood. Bids for the building of streets and sidewalks, and the laying of sewer, water and gas mains will soon be asked for. Before many weeks this city will see its best addition put on the market ready for home builders. There will be no promises; the work will all be done before lots are offered for sale. This is as it should be. See what you get, and you will need no ear protector to keep out our would-be protector's hot air.

OWES $6554 FOR CARE OF SISTER

Gardner Sanitarium Claims Matilda Taaffe Will Not Pay Bill.

The Gardner Sanitarium of Belmont Monday filed a petition in the Supreme Court of Santa Clara County for an order compelling Matilda Taaffe, guardian of her insane sister, Mary E. Taaffe to render an account of the finances of her ward. Mary Taaffe was declared an incompetent by the court on May 12, 1905, and Matilda Taaffe was on the same day appointed guardian of her person and estate. In the following November she filed an inventory showing that the estate consisted of property in Santa Clara County and an undivided interest in lands situated in San Luis Obispo county, all of which were appraised at $32,610.60. The petition filed Monday states that the guardian has never since returned any account to the court of the condition of the estate.

Mary E. Taaffe has been under the care of the petitioner upon agreed terms of $200 a month since 1905. It is alleged, but nothing has been paid for her treatment and $6,554 is owing. The secretary of the Sanitarium says suit was commenced in October, 1907, to collect the sum of $5,314, but the action was dropped.

F. H. Thorpe is attorney for the petitioner.

H. Hanscom, the printer and publisher of the Burlingame Advance, a weekly newspaper printed and published in said County of San Mateo, and within the limits of said proposed municipal corporation, deposing and setting forth that a true copy of said petition, affidavit and notice had been regularly printed and published for at least two weeks before the time at which the same was presented as aforesaid, to-wit: on the 14th day of December, 1907, on the 21st day of December, 1907, on the 28th day of December, 1907, and on the 4th day of January, 1908, and in each and every issue and copy of said newspaper printed and published on said days.

M. of said day; and whereas, on the said 17th day of February, 1908, at the hour of 10 o'clock A. M., the said Board duly met and proceeded with the hearing of the petition, and thereupon duly continued the said hearing for one week, and until the 24th day of February, 1908, at the hour of 10 o'clock A. M.; and whereas, on said 24th day of February, 1908, the said Board upon investigation did find that the boundaries of said proposed municipal corporation as set forth in said petition were incorrectly described and not satisfactory to said Board, and did thereupon order the County Surveyor of said County of San Mateo to ascertain and report a description of the boundaries, and direct that the further hearing in said matter be continued to the next regular meeting of said Board, viz: March 2nd, 1908, at 10 o'clock A. M.

M., of said day, and did further direct that the further hearing in said matter be continued to said last mentioned time.

And whereas, the said matter and the said report and petition came now on regularly for hearing and further consideration by this Board, and an affidavit by D. E. O'Keefe, the printer and publisher of the Times Gazette, a weekly newspaper printed and published in said County of San Mateo, deposing and setting forth that the said notice hereinbefore last mentioned had been published in each and every copy of said newspaper printed and published on the 7th and 14th days of March, 1908, being all the issues and days of publication of said paper subsequent to said 2nd day of March, 1908, and prior to this day of hearing, was duly presented to this Board and filed with the Clerk thereof;

And whereas, there has also been duly presented to this Board and filed with the Clerk thereof, a like affidavit of W. H. Hanscom, the printer and publisher of The Burlingame Advance, a weekly newspaper also printed and published within said County of San Mateo, and within the boundaries of said proposed municipal corporation, deposing and setting forth that said last mentioned notice had been published in each and every issue and copy of said paper, printed and published on said 7th and 14th days of March, 1908, being all the issues and days of publication of said paper, subsequent to said 2nd day of March, 1908, and prior to this date.

And whereas, thereupon the Board proceeded with the hearing of said petition and further sworn testimony and evidence was presented to and heard by said Board, and said petition and report of said Surveyor and matter having been finally submitted to said Board for consideration and determination, and it appearing to said Board and said Board having ascertained and determined and said Board does hereby ascertain and determine:

That said petition was duly and regularly signed by more than fifty (50) qualified electors of said County of San Mateo, then and now residing within the boundaries mentioned in said petition and within the boundaries hereinafter defined and set forth; that a copy of said petition, affidavit and notice, was duly and regularly printed and published in a newspaper printed and published in said County of San Mateo, and within the boundaries so mentioned in said petition and as hereinafter defined and set forth, to-wit: The Burlingame Advance, for more than two weeks successively next preceding said 6th day of January, 1908; that the number of inhabitants residing within the boundaries mentioned in said petition and within the boundaries hereinafter defined, established and set forth was, and still is more than five hundred (500) and less than three thousand, to-wit: One thousand.

Blackburn Is Alright

A would-be "funny" correspondent of the Redwood City Democrat at Pescadero has attempted on several occasions veiled attacks on Supervisor Blackburn of the fifth township. One time he makes his observations in the dialect of the ignorant, again in the peculiar vernacular of the quaker and always in terms of hostility. They are presumably given space in the paper for their supposed humor.

As for any effect these articles will have on the good repute of Dr. Blackburn, they will only tend to confirm him in the good opinion in which he is held by those who have watched his course on the board and have been closely associated with him.

Dr. Blackburn is one of the ablest of the Supervisors and thoroughly attentive to his duties. He may be relied on to act conscientiously on all occasions and his constituents will credit him accordingly.—San Mateo Times.

We concur in what the Times says. We have closely observed Mr. Blackburn's vote and actions on the board and find him to be a conscientious official.

Burglar Suspect Arrested

Sheriff Chatham arrested Nark Vogel in San Francisco, and charged him with being an accessory in the burglary of the Baskette Drug Co. for which Van Hootie was convicted on a charge of larceny. The latter accused Vogel, who was released from San Quentin the day of the burglary and disappeared. Judge Carson held the preliminary hearing yesterday.
